OVERALL SCORE

94.17 / 100

RISK CRITICALITY CLASSIFICATION: · LOW RISK (Prime Grade / Low Risk Profile)

1. MATHEMATICAL SCORING BREAKDOWN (Deterministic Functions)

Component	Raw Score	Weight	Contribution	Component Underwriting Notes
Credit History	80.7/100	25%	20.17 pts	Scaled from bureau credit score of 784 (rang
Repayment Behavior	100.0/100	20%	20.00 pts	Clean repayment track: 0 missed payments, no
Income Stability	100.0/100	15%	15.00 pts	Calculated from employment tenure and contra
Debt Burden	100.0/100	15%	15.00 pts	Very low debt burden (DTI 14.4%)
Employment Stability	100.0/100	10%	10.00 pts	Based on 5.2 recorded years of employment
Affordability	100.0/100	10%	10.00 pts	Excellent affordability (EMI ratio 17.2%)
Documentation Quality	80.0/100	5%	4.00 pts	Completeness ratio: 80.0%
FINAL DETERMINISTIC SCORE		100%	94.17 pts	Calculated strictly via pure mathematical sum

2. 6-MONTH STATEMENT FINANCIAL ROLLUPS & TRANSACTION RATIOS

Credit Card Utilization	9.3%	Total Bank Credits 6M	·627,000.00
Total Bank Debits 6M	·160,600.00	Derived Monthly Salary F	·104,500.00
Derived Monthly Emi From	·18,000.00	Total Credit Card Spends	·47,950.00

3. LLM UNDERWRITING EVALUATION SUMMARY (Pros & Cons by Criticality)

EXECUTIVE UNDERWRITER VERDICT:
The applicant demonstrates an exceptional credit profile with a low-risk posture, by a high characterized overall score of 94.17 and strong financial stability across all primary metrics.

- PROS (Application Strengths):
- [HIGH CRITICALITY] Impeccable repayment history and creditworthiness Evidence: Credit Bureau Score of 784, 0 missed
 - [HIGH CRITICALITY] Excellent debt capacity and affordability Evidence: Very low DTI of 14.4% and a proposed EMI to
 - [MED CRITICALITY] Strong employment and income stability Evidence: 5.2 years of employment tenure with a verified m
 - [LOW CRITICALITY] Conservative credit utilization Evidence: Credit card utilization is low at 9.3%.
- CONS (Risk Factors & Vulnerabilities):
- [LOW CRITICALITY] Sub-optimal documentation completeness Evidence: Documentation quality score is 80.0/100 with a c

OVERALL SCORE

87.08 / 100

RISK CRITICALITY CLASSIFICATION: · LOW RISK (Prime Grade / Low Risk Profile)

1. MATHEMATICAL SCORING BREAKDOWN (Deterministic Functions)

Component	Raw Score	Weight	Contribution	Component Underwriting Notes
Credit History	78.3/100	25%	19.58 pts	Scaled from bureau credit score of 770 (rang
Repayment Behavior	100.0/100	20%	20.00 pts	Clean repayment track: 0 missed payments, no
Income Stability	100.0/100	15%	15.00 pts	Calculated from employment tenure and contra
Debt Burden	50.0/100	15%	7.50 pts	DTI unavailable; neutral baseline assigned
Employment Stability	100.0/100	10%	10.00 pts	Based on 7.0 recorded years of employment
Affordability	100.0/100	10%	10.00 pts	Excellent affordability (EMI ratio 16.7%)
Documentation Quality	100.0/100	5%	5.00 pts	Completeness ratio: 100.0%
FINAL DETERMINISTIC SCORE		100%	87.08 pts	Calculated strictly via pure mathematical sum

2. 6-MONTH STATEMENT FINANCIAL ROLLUPS & TRANSACTION RATIOS

Credit Card Utilization	9.0%	Total Bank Credits 6M	·2,710,000.00
Total Bank Debits 6M	·426,000.00	Derived Monthly Emi From	·25,000.00
Total Credit Card Spends	·90,000.00		

3. LLM UNDERWRITING EVALUATION SUMMARY (Pros & Cons by Criticality)

EXECUTIVE UNDERWRITER VERDICT:
The applicant demonstrates an exceptionally strong credit profile with a low risk posture, by characterized perfect repayment behavior, high income stability, and excellent affordability.

· PROS (Application Strengths):

- [HIGH CRITICALITY] Perfect repayment track record Evidence: 0 missed payments in 48 months and ·0.00 active overdue
- [HIGH CRITICALITY] Excellent affordability and low debt burden Evidence: EMI to Income Ratio of 16.7% and Credit Ca
- [MED CRITICALITY] Strong employment stability Evidence: 7.0 years of employment tenure at Iyer Precision Tools & Di
- [MED CRITICALITY] Prime credit bureau standing Evidence: Credit Bureau Score of 770 (Prime Grade)
- [LOW CRITICALITY] Complete documentation Evidence: Documentation completeness ratio of 100.0%

· CONS (Risk Factors & Vulnerabilities):

- [LOW CRITICALITY] Neutral debt burden scoring due to missing DTI Evidence: Debt burden raw score of 50.0/100 as DTI

OVERALL SCORE

78.18 / 100

RISK CRITICALITY CLASSIFICATION: · MED RISK (Moderate Risk / Standard Standard Grade)

1. MATHEMATICAL SCORING BREAKDOWN (Deterministic Functions)

Component	Raw Score	Weight	Contribution	Component Underwriting Notes
Credit History	63.3/100	25%	15.83 pts	Scaled from bureau credit score of 680 (rang
Repayment Behavior	100.0/100	20%	20.00 pts	Clean repayment track: 0 missed payments, no
Income Stability	64.0/100	15%	9.60 pts	Calculated from employment tenure and contra
Debt Burden	85.0/100	15%	12.75 pts	Low debt burden (DTI 23.5%)
Employment Stability	80.0/100	10%	8.00 pts	Based on 3.2 recorded years of employment
Affordability	80.0/100	10%	8.00 pts	Healthy affordability (EMI ratio 26.7%)
Documentation Quality	80.0/100	5%	4.00 pts	Completeness ratio: 80.0%
FINAL DETERMINISTIC SCORE		100%	78.18 pts	Calculated strictly via pure mathematical sum

2. 6-MONTH STATEMENT FINANCIAL ROLLUPS & TRANSACTION RATIOS

Credit Card Utilization	41.0%	Total Bank Credits 6M	·547,000.00
Total Bank Debits 6M	·289,000.00	Derived Monthly Emi From	·18,000.00
Total Credit Card Spends	·157,000.00		

3. LLM UNDERWRITING EVALUATION SUMMARY (Pros & Cons by Criticality)

EXECUTIVE UNDERWRITER VERDICT:
The applicant demonstrates strong repayment discipline and healthy affordability ratios, the though overall risk is moderate due to a mediocre credit bureau score and average income stability.

· PROS (Application Strengths):

- [HIGH CRITICALITY] Perfect repayment track record Evidence: 0 missed payments in the past 24 months and ·0.00 activ
- [HIGH CRITICALITY] Strong debt capacity and affordability Evidence: Low DTI of 23.5% and a healthy EMI to Income ra
- [MED CRITICALITY] Stable employment history Evidence: Employment tenure of 3.2 years at Sen Craft Furnishings
- [LOW CRITICALITY] Positive net cash flow Evidence: 6-month bank inflows of ·547,000.00 vs outflows of ·289,000.00

· CONS (Risk Factors & Vulnerabilities):

- [HIGH CRITICALITY] Moderate credit bureau score Evidence: Credit Bureau Score of 680, resulting in a credit_history
- [MED CRITICALITY] Average income stability Evidence: Income stability raw score of 64.0/100
- [LOW CRITICALITY] Moderate credit card utilization Evidence: Credit Card Utilization is at 41.0%
- [LOW CRITICALITY] Incomplete documentation Evidence: Documentation completeness ratio is 80.0%

OVERALL SCORE

77.17 / 100

RISK CRITICALITY CLASSIFICATION: · MED RISK (Moderate Risk / Standard Standard Grade)

1. MATHEMATICAL SCORING BREAKDOWN (Deterministic Functions)

Component	Raw Score	Weight	Contribution	Component Underwriting Notes
Credit History	61.7/100	25%	15.42 pts	Scaled from bureau credit score of 670 (rang
Repayment Behavior	100.0/100	20%	20.00 pts	Clean repayment track: 0 missed payments, no
Income Stability	45.0/100	15%	6.75 pts	Calculated from employment tenure and contra
Debt Burden	100.0/100	15%	15.00 pts	Very low debt burden (DTI 12.9%)
Employment Stability	60.0/100	10%	6.00 pts	Based on 1.5 recorded years of employment
Affordability	100.0/100	10%	10.00 pts	Excellent affordability (EMI ratio 14.5%)
Documentation Quality	80.0/100	5%	4.00 pts	Completeness ratio: 80.0%
FINAL DETERMINISTIC SCORE		100%	77.17 pts	Calculated strictly via pure mathematical sum

2. 6-MONTH STATEMENT FINANCIAL ROLLUPS & TRANSACTION RATIOS

Credit Card Utilization	68.0%	Total Bank Credits 6M	·330,000.00
Total Bank Debits 6M	·84,000.00	Derived Monthly Salary F	·55,000.00
Derived Monthly Emi From	·8,000.00	Total Credit Card Spends	·108,000.00

3. LLM UNDERWRITING EVALUATION SUMMARY (Pros & Cons by Criticality)

EXECUTIVE UNDERWRITER VERDICT:
The applicant demonstrates strong repayment discipline and excellent affordability with a low DTI, though overall creditworthiness is tempered by a fair credit score and high credit card utilization.

· PROS (Application Strengths):

- [HIGH CRITICALITY] Excellent debt affordability and low burden Evidence: DTI is 12.9% and EMI to Income Ratio is 14
- [HIGH CRITICALITY] Perfect repayment track record Evidence: 0 missed payments in the past 24 months and ·0.00 activ
- [MED CRITICALITY] Stable verified income stream Evidence: Verified monthly bank salary of ·55,000.00 INR
- [LOW CRITICALITY] Satisfactory documentation completeness Evidence: Documentation quality score of 80.0%

· CONS (Risk Factors & Vulnerabilities):

- [HIGH CRITICALITY] High credit card utilization Evidence: Credit Card Utilization is 68.0%
- [MED CRITICALITY] Fair credit bureau rating Evidence: Credit Bureau Score of 670
- [MED CRITICALITY] Moderate employment tenure Evidence: Employment tenure of 1.5 years at Apex Global Logistics Ltd
